Swiss Confederation

Innosuisse – Swiss Innovation Agency

START YOUR INNOVATION PROJECT

Innosuisse primarily supports **science-based innovation projects conducted jointly by companies and research institutions**. We offer both parties a flexible way of getting started.

BRINGING TOGETHER SCIENCE AND THE MARKET

Research offers
Scientific expertise and research infrastructure

and gains
Access to the market

SME offers
Economic and entrepreneurial know-how as well as marketability

and gains
Access to resources, expertise and infrastructure in research & science

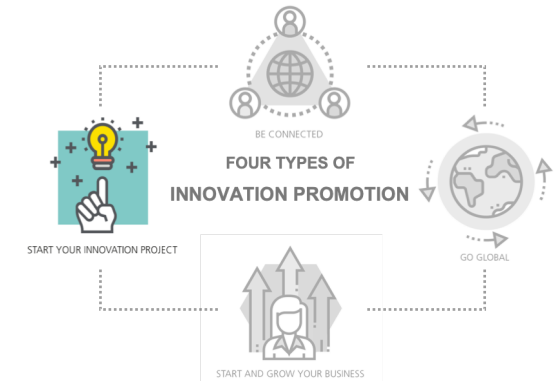

INNOVATION PROJECT
Innosuisse covers max. 50% of the project costs and pays and Overhead contribution of 15% to the research partner.

The implementation partner comes up for at least 50% of the Project costs (incl. 10% cash), mainly in form of labour.

MARKET IMPLEMENTATION

INNOVATION CHEQUE: MAXIMUM CHF 15'000

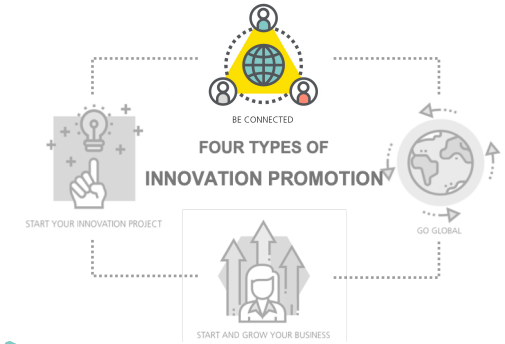

- Easy access into the world of science-based innovation funding.
- Aim: to clarify the effective feasibility of an innovative idea.
- Access up to CHF 15,000 of research services from a research partner.
- Funding preliminary studies, such as concept developments and idea studies or analyses of the innovation and market potential of processes, products, services or technologies.
- Voucher to SME, short financial and content report provided by research partner, co-signed by SME.
