

Stockholm 29 to 30 October 2009

# Innoforum

## Swedish-Swiss Innovation and Clean Tech Forum

With the participation of  
Federal Councillor Doris Leuthard, Swiss Minister for Economic Affairs,  
and Ewa Björling, Swedish Minister of Trade

By participating at the Swedish-Swiss Innovation and Cleantech Forum taking place in Stockholm on October 29-30, 2009, you will get an overview of the Swedish market, innovation and research trends in the field of Cleantech. Participants will have the opportunity to establish contacts with Swedish partners by meeting them bilaterally in pre-arranged one-to-one meetings, in work-shop sessions and during visits of relevant institutes/companies. In addition, attendees will have the possibility to offer their technologies, products or services to selected partners or find complementary know-how and latest research results in order to foster their innovation strategy and to develop their business. The Swiss Delegation will be accompanied by State Secretary for Education and Research, Mauro Dell'Ambrogio, and Ursula Renold, Director of the Federal Office for Professional Education and Technology OPET.

### Thematic focus

- Sustainable Energy/Power Systems
- Sustainable Building and Urban Planning
- Sustainable Transport

### Target audience

- Company executives, company R&D staff
- Scientists, leadership of universities and scientific institutions
