The image displays multiple overlapping screenshots of the AMIPLEXUS web application. The interface includes a navigation menu on the left with options like 'About', 'User_Guide', 'Funding Programme' (set to H2020), 'Text Search', 'Organisation Search', 'Acronym Search', 'Topic Search', and 'Organisation Compare'. The main content area shows search criteria and results. One screenshot shows a search for 'battery' and 'automotive' with logical operators AND/OR. Another screenshot shows a table of results with columns: Organisation, PIC_Number, Category, Project, projectID, and Funding_Sche. The table lists projects such as SIGMA ORIONIS SA, ATLANTIS ENGINEERING AE, COMAU SPA, INTERACTIVE FULLY ELECTRICAL VEHICLES SRL, INFINEON TECHNOLOGIES AG, and DAIMLER AG. A chart titled 'Number of Projects Funded over Time' is also visible, showing data for the year 2015.
